Ravinder Singh Salathia **Vs.** State of J&K & ors.

Appearing Counsel:

For the petitioner(s): Ms. Veenu Gupta vice Mr. Sunil Sethi, Sr. Adv.
For the respondent(s): Mr. D. C. Raina, Sr. Adv. with Mr. F. A. Natnoo.

(ORAL)

- 1) Process of selection initiated by the J&K Public Service commission as against the available posts of Lecturer-I (Mechanical Engineering) in Technical Education Department has culminated in selection of eligible deserving candidates which include respondents No.4 to 8. Petitioner in view of his inferior merit as compared to the last selected candidate did not figure in the select list.
- 2) In the objections it has been made clear that the petitioner in total has secured 55.24 points when the last candidate selected has secured 56.26 points.
- 3) One limb of the argument as projected is that the petitioner was entitled to three points for experience but he has been given only 2.50 points. In the

objections it is rightly indicated that even if instead of 2.50 points, 3(three) points are awarded to the petitioner, he will get 55.74 points, still his merit will remain inferior as against the last candidate selected who has secured 56.26 points.

- 4) Second limb of argument was that the respondents No.4, 5 and 8 did not possess any experience so were not entitled to any point for experience. The record as produced by learned counsel appearing for respondent-Commission clearly reveals that respondents No.4, 5 and 8 have not been awarded any point for experience.
- 5) Third limb of argument of learned counsel for the petitioner is that the respondents No.6 and 7 too were not entitled to any point for experience but records as produced would indicate that in case of respondent No.6, 1.25 points have been awarded. He has in total secured 59.48 points. Even if it is taken, which cannot be, that he was not entitled to 1.25 points still his merit will remain as 58.23 points, superior to the petitioner. In case of respondent No.7, records reveal that he has been awarded 3 points for experience but overall he

has secured 59.27 points. If the argument of the learned counsel for the petitioner is taken correct that respondent No.7 is not entitled to three points, still his merit will remain as 56.27 points, again superior to the petitioner.

- 6) Viewed thus, grounds projected have no force, petition, as such, is totally devoid of merit, accordingly, dismissed along with connected CMA. Interim direction, if any, shall cease to be in operation.
- 7) Records as produced are returned to the learned counsel for respondent Commission.
