1. INTRODUCTION

The Jammu & Kashmir Public Service Commission, as enjoined upon by section 137 of the Constitution of Jammu & Kashmir, presents its 52nd Annual Report on the working of the Commission for the year 2008-2009 to His Excellency, the Governor of Jammu & Kashmir.

The J&K Public Service Commission was constituted in the year 1957 under section 128 of the Constitution of Jammu & Kashmir and it is required to discharge the functions specified in section 133 of the Constitution (Appendix-I). The Commission is mainly required to be consulted in matters relating to the method of recruitment, making appointments to civil services and posts, promotions & transfers from one service to another as well as on all disciplinary matters affecting a person serving under the Government.

The Annual Report of the Commission (under section 137 of the Constitution) is required to be laid before the Legislature.

The Commission takes this opportunity to express its gratification regarding the fact that the presentation of its Annual Report to the Legislature has been updated and all its previous reports stand tabled in the Legislature. The Commission hopes that this practice will continue in future as well.

2. COMPOSITION OF THE COMMISSION IN 2008-2009

The Commission comprised a Chairman and seven Members during the year under report. The incumbents of the office of Chairman and Members, during the year under report, were as under:

3. EXECUTIVE SUMMARY

The J&K Public Service Commission states with satisfaction that during the year under report, it made recommendations for appointments and promotions to the Government for 2448 posts.

During the year under report the Commission completed the selection process for recruitment of 1598 posts and recommended 1519 candidates, for appointment. Some posts could not be filled either for want of eligible candidates or as a result of directions of the Court to the contrary. (*Appendix – II*)

In the year under report, the Commission cleared the promotion proposals for 929 officers in various Departments of the State. (*Appendix – VII*)

In the year under report, the Commission conducted 05 departmental/competitive examinations, admitting 1062 candidates, and declared the result of 01 departmental examination. (*Appendix – XV & XIV*)

The Commission, in the year under report, held 14 examinations on behalf of the Union Public Service Commission in which 22135 candidates participated. (*Appendix – XVI*)

The Commission, during the year under report, advertised 2918 posts for direct recruitment through interview/examination in different departments of the State. (*Appendix – XVIII*)

The Commission, during the year under report, conveyed its agreement to 03 draft Recruitment Rules to various departments. (*Appendix-XI*)

The Commission, during the year under report, received requisitions for 2785 posts from various departments for selection. (*Appendix-XIII*)

During the year under report, as required under section 133 of the Constitution of the State, no case of disciplinary action was referred to the Commission and no case of appointment by transfer from one service to another was received by the Commission. (*Appendix – VI*)

The Commission notes with dismay that despite already conveying its agreement in Recruitment Rules of 16 services, the SROs have not been issued till date as per the information of the Commission. (*Appendix – X*)

The Commission again notes with concern that some of the selections stalled by various court orders are not being properly defended by the concerned Government Departments, despite they being the primary respondents.

It may not be out of place to mention again that the Commission is constrained to point out that the response of certain indenting departments, to the various queries raised by the Commission has, in general, been very unsatisfactory.

As per the provisions of SRO-166 dated 14.06.2005, the departments are required to refer vacancies falling under Direct recruitment quota to Public Service Commission by 15th of January every year and the vacancies in the promotion quota are required to be referred to Public Service Commission/Departmental Promotion Committees, at least twice a year, preferably in the month of January and July, and, also to take necessary steps for facilitating the holding of the DPC meetings.

The departments have generally failed to furnish the necessary information, recruitment rules, and vacancy position with cause of vacancies, as per the provisions of aforementioned SRO. This results in undue delay in direct recruitment. Similarly, non-furnishing of updated seniority lists, APRs, Integrity Certificates etc. results in delay in the clearance of the proposals for promotion. Many promotion proposals, particularly in the Agriculture Production Department, Technical Education Department and Industries and Commerce Department as such, remained pending for want of complete information. Similarly, direct recruitment to many posts, in various departments including Higher Education Department, is held up due to inaction on part of the indenting departments.

4. RECRUITMENT BY INTERVIEW

Recruitment by interview is made for filling up of vacancies that are, as per the relevant recruitment rules, to be filled up by direct recruitment without holding any written examination. The process of recruitment by interview starts with the receipt of a formal requisition from the indenting department. This is followed by the advertisement of the posts, receipt of applications, and determination of eligibility, (short listing by holding screening tests where number of applicants is large) and finally the holding of interviews. The selection process culminates with the Commission recommending suitable candidates for appointment.

In the year under report, the Commission made recommendations for direct recruitment by interview against 1598 posts. In the process a total of 5558 eligible candidates were interviewed. Of the total, 1519 candidates recommended for appointment, 855 were recommended in the open category; 127 in the scheduled caste; 142 in the scheduled tribe; 291 in the RBA; 45 in the LAC; 24 in the SLC and 35 in the PHC Category.

In School Education Department, against 1259 posts in different disciplines 1257 candidates were recommended for appointment. Two posts remained vacant due to non-availability of eligible candidates against reserved category post.

In Higher Education Department, against a total of 31 posts only 23 candidates could be recommended for appointment. Rest of the posts in different disciplines remained unfilled due to non-availability of eligible candidates.

In Technical Education Department, against 04 posts 02 candidates were recommended for appointment. Two posts remained vacant due to non-availability of eligible candidates against reserved category posts.

In Health and Medical Education Department, against 146 posts, only 97 candidates could be recommended for appointment. Rest of the posts in different disciplines remained unfilled due to non-availability of eligible candidates.

In Animal Husbandry Department, against 44 posts, only 42 candidates could be recommended for appointment. Rest of the posts remained unfilled due to non-availability of eligible candidates from reserved categories.

In Agriculture Production Department against 114 posts , 98 candidates have been recommended for appointment. Rest of the posts could not be filled due to various court directions.

7. RECRUITMENT RULES / ADVICE RENDERED

The Recruitment Rules in respect of 12 services, pertaining to 11 departments, could not be finalized on account of various reasons including deficiencies, as indicated against each, in appendix IX.

The details of the cases where the agreement of the Commission in regard to Recruitment Rules has been conveyed since 1995 till date, but SRO notifying the same has not been issued are given in appendix-X. The Commission wishes to express its dismay that the list of such cases is increasing year by year and that little or no effort is being made by the concerned departments to notify the rules. The departments are the Labour Department, Law Department, Sericulture Department, Handloom Department, Employment Department, Forest Department, Horticulture Department, Housing and Urban Development Department.

The Commission finds it difficult to monitor the action taken by the departments on agreements conveyed by the Commission to the Recruitment Rules unless a copy of the SRO issued by the department is sent to it. There may be cases, which figure in the Commission's list of pending cases where the department may have actually issued the Recruitment Rules, but no copy of the SRO notification has been received by the Commission.

The Commission has noticed that amendments are made in certain service rules without prior consultation of the Public Service Commission. It needs to be emphasized on the administrative departments to comply the constitutional requirement in this regard as required under section 124 of the Constitution of Jammu and Kashmir.

8. MISCELLANEOUS

1. WRIT PETITIONS

During the year under report, comparatively, fewer writ petitions in which the Commission is the primary respondent were preferred before the Hon'ble High Court. In most writ petitions pertaining to the Commission, criteria of selection/recruitment rules have been challenged and the Commission stands only as a pro-forma respondent, the primary respondent being the State. The Commission is regularly filing counter objections in the courts and monitoring the progress of cases with its Standing Counsels.

2. THE COMMISSION SECRETARIAT

The following officers held various positions, during the year under report, in the Commission Secretariat: -

1. Shri. G.H. Tantray, serves the Commission as Secretary.
2. Shri G.H. Mir, KAS continues to serve the Commission as Additional Secretary cum Controller of Examinations.
3. Shri Khursheed Ahamd, Shri Amar Singh, Shri. Mohmmad Ishaq Shah and Shri. Om Prakash Bhagat continue to serve as Deputy Secretaries of the Commission .
4. Shri Bashir Ahmed Lone, Shri M.K. Kalloo and Shri Mangat Singh continued to serve the Commission as Under Secretaries.
5. Mrs Naila Zahoor Chib, continued to serve as Accounts Officer in the Commission
7. Smt. Vipani Kumari, Sh. Abdul Rehman Dhobi, Sh. Chuni Lal and Sh. Nazir Ahamd held the posts of Private Secretaries in the Commission

OTHER STAFF

The details of the staff of the Commission Secretariat are given in appendix-XX.

4. RECEIPT AND EXPENDITURE

Details of budgetary allocations, receipt and expenditure of the Commission under different heads during the year under report is given in the appendix XVII.

5. ACCOMMODATION

The office of the Jammu & Kashmir Public Service Commission at Srinagar and Jammu continue to be housed in existing buildings at Polo Ground, Srinagar and Pragati Bhawan Rail Head Complex , Jammu respectively. The Commission's present accommodation is insufficient

both at Jammu as well as Srinagar. For construction of office complexes at Jammu and Srinagar 15 Kanals of Land at Resham Ghar Colony, Jammu and 23 Kanals and 08 Marlas at Solina, Barzula estate Srinagar have been acquired respectively and the construction work has been initiated both at Jammu as well as Srinagar. The Construction work at Jammu is about to be completed within a short span of time.

6. Achievements made in Computerization in J&K PSC during the year 2008-2009.

- (a) Wireless networking in both Jammu as well as Srinagar offices of the Commission was completed. It has helped in sharing of resources like printers and internet and will help in sharing of important data between various officials of the Commission.
- (b) High end laser printers were installed in both Jammu as well as Srinagar offices of the Commission. This has helped to save lot of time and money also as otherwise, till date, all heavy duty printing jobs like printing of Attendance Sheets, Admits Cards etc. was to be outsourced from outside the State.
- (c) The OMR scanner has been installed in the Commission and with the training of the officials in handling this high tech machine, further a lot of time & money will be saved which used to be consumed in getting the application forms scanned from out side the State. The J&K Public Service Commission will be the only institute in the State with in-house OMR/ICR/OCR scanning facility.
- (d) The IT infrastructure was further augmented by procuring more computers and this is going to help in expediting the processing of data in connection with various recruitment related procedures with perfection and accuracy.
- (e) The expanding of IT infrastructure in the Commission has started showing results as fairly good number of screening tests were held in respect of various disciplines which were pending since 2003. The accumulation of posts of 2003, 2005 & 2006 notifications was posing a challenging job for holding screening tests. This has been made possible by computer programming techniques which were otherwise not possible if done by manual methods. This has also helped in saving a lot of resources as single screening test was held in respect of each discipline for posts of three notifications instead of holding three screening tests separately. Most of the pre as well post examination jobs are being handled indigenously due to the strengthening of IT infrastructure in the Commission. It is encouraging to underline that speed, promptness, accuracy and transparency were the inevitable outcome of this shift and the Commission records it with great satisfaction. However, it will not remain content

with the progress made but will strive hard to make maximum positive uses of technology for better results to the satisfaction of job seekers in particular and the masses at large in general.

7. Name of Ex-Chairmen and Members.

The names of Ex-Chairmen and Members of the J&K Public Service Commission to the extent of records available are given in the Appendix- XXII.

8. Reference of vacancies and holding of meetings of Departmental Promotion Committees.

The Commission notes with concern that the departments are not following the instructions of SRO-166 dated 14.06.2005 issued by the General Administration Department under endorsement No.GAD/Mtg/RB-IV/2005 dated 14.06.2005 in terms whereof all the departments were required to:-

- a) refer vacancies falling under direct recruitment quota to J&K Public Service Commission and Service Selection Board by 15th of January every year (except in the case of Combined Competitive Services which shall continue to be governed as per the existing procedure); and
- b) refer the vacancies under the promotion quota to J&K Public Service Commission/Departmental Promotion Committee, twice a year, preferably in the month of January and July for convening DPC meetings.

As such, it is suggested that Government may issue instructions to all the departments that the provisions of the SRO-166 of 2005 be implemented in letter and spirit, so that the system of promotions is streamlined and a lot of litigation be obviated as also the process of selection against the direct recruitment quota is initiated/completed in a regular manner.

9. DIFFICULTIES AND DELAYS

(a) RECRUITMENTS: - As already mentioned in the Annual Report of the previous year, the response of the indenting departments to the issues raised by the Commission from time to time has not always been timely as desirable. As a result, the selection/regularization process is delayed, sometimes, for want of even a minor clarification.

It is desirable that the departments must send their formal requisitions for direct recruitment in completely filled Form-1. Many times departments have been found to leave various columns of Form-1 incomplete. As such some important information that should have been forthcoming, from the Form-1, remains missing which results in unnecessary delays. The Commission wishes to impress upon those heading the indenting departments of the State that they should personally ensure that, while posts are being referred to the Commission, all the necessary information is furnished.

The practice of the Government making adhoc appointments/regular appointments in relaxation of rules against direct quota posts still continues. Neither copies of such Government orders are endorsed to the Commission nor are details of the posts filled made available to it. As such it has not been possible for the Commission to monitor such appointments. In some cases, adhoc appointees have been regularized or regular appointments are made in relaxation of rules without fulfilling the constitutional requirement of consulting the Commission.

During the year under report, the Commission made a request to the General Administration Department to advise all the departments to ensure that copies of orders regarding adhoc appointments and stop-gap arrangements are invariably endorsed to the Commission. Only some departments have acted upon the instructions issued by the General Administration Department in this regard. It is necessary that these instructions are adhered to by all departments. For this purpose, the State Government needs to devise a mechanism to ensure compliance.

(b) PROMOTIONS: - Majority of promotion cases remain pending for want of issuance of a final seniority list, annual performance reports, integrity certificates, recruitment rules and the year-wise breakup of vacancies with reference to the cause of vacancies. The Commission would like to impress upon various departments of the Govt. to furnish expeditiously, any information/document, asked for by the Commission. The departments should, while making

the promotion proposal, send their cases with complete documents, as required under rules. The details of pending promotion cases are given in appendix-VIII.

c. RECRUITMENT RULES: - It has been a constant observation on part of the Commission that the Recruitment Rules do not apparently attract the serious attention of the Government. A majority of the Recruitment Rules become outdated or having been drafted/amended with out any serious consideration do not fit the bill in the present scenario. With the advances made in every sphere of life, the service structure/management of many services/posts in the State calls for revision. The Commission would like to suggest the Government that a committee be framed under the Administrative Secretary in-charge of either the General Administration Department or the Administrative Reforms and Inspections which will look into the various short comings/discrepancies in the Recruitment Rules and suggest remedial measures thereof, in consultation with the concerned Administrative Secretary.

The Commission reiterates the importance of up-dating the recruitment rules and impresses upon various departments to take steps necessary to expedite the process of updating the Recruitment Rules & the schedules thereof. The recruitment rules of 12 services, pertaining to 11 departments, could not be finalized for the reasons indicated against each in appendix IX.

10. RECOMMENDATIONS

Year and again the Commission has been making recommendations in its Annual Reports highlighting the requirements/ documents necessary for the speedier disposal of cases of promotion and recruitment by interviews but these have not been heeded to by a number of departments. The Commission hopes that in future there would not be a need for these recommendations. For the sake of ready reference these recommendations are restated below.

i. That the departments nominate officers, as was suggested in the Annual Report of the previous year, for liaison with the Commission's Secretariat in order to sort out hurdles in deciding old pending cases and furnishing fresh proposals complete in all respects.

ii. Despite repeated discussions, both formal and informal, with the concerned Administrative Departments, very little improvement has been noticed in providing of information sought by the Commission. In fact, some times the statements furnished by the departments are not based on facts, which consequently places the Commission in an embarrassing position as the new facts are pointed out by aggrieved officers after the completion of the proceedings of the DPC. This practice needs to be done away with.

iii. The advice tendered by the Commission needs to be followed, and, in case the Government delays to act as per its advice, the Commission be kept informed along with the reasons thereof. In case of non acceptance of opinion/advice of the Commission in any case the Government has to record reasons for non acceptance of the same while laying copy of the Annual Report on the floor of the house.

iv. The Administrative Departments, while furnishing proposals for the promotion of officers through DPC should ensure that these are complete in all respects and are accompanied with APR's, final seniority lists, integrity certificates, details of court cases, roster points for reserved categories, eligibility list indicating last officer cleared for promotion by the DPC, so that no officer is left out from the zone of consideration. The deficiencies of proposals of various departments are given in appendix-VIII.

v. The recruitment rules for services, for which the Commission has conveyed its agreement, need to be notified and no amendment in service rules be made without consulting the Public Service Commission as required under section 124 of the Constitution of the Jammu and Kashmir.

- vi. The final seniority list needs to be updated and issued regularly.
- vii. The departments need to consult the Commission at the time of making appointments by transfer from one service to another and also at the time of issuing the initial constitution as the same invariably involves the appointments by transfer.
- viii. The departments need to pursue the court cases pertaining to promotions, recruitment and departmental examinations promptly and also file counter objections promptly so that the cases do not go in default.
- ix. The departments should revise their Recruitment Rules and update various schedules every five years and the services where the same has not been done since long need to expedite the same at the earliest.
- x. The Administrative Departments should adhere to the schedule for referring vacancies, at the end of the year in respect of direct recruitment quota and at the beginning and middle of the year, for promotion quota to the PSC taking due care of quota as per recruitment rules of the service at regular intervals; and avoid making piecemeal reference of vacancies and the related information. The Commission also recommends that all the Government Departments be directed to comply strictly with the directions contained in the SRO-166 dated 14.06.2005, including the timely completion of APR's ,issuance and updating of seniority lists, updating of schedules to the recruitment rules as well as the nomination of Nodal officers from each department who will be duly trained to ensure compliance with these requirements and to bring to the notice of the concerned Administrative Secretary, instance of slackness, if any, in adhering to the provision of the SRO-166 of 2005.

In terms of SRO-166 of 14th June, 2005, all the Administrative Departments are required to:-

- (1) refer vacancies to Public Service Commission by **15th of January every year;**
- (2) refer vacancies in the promotion quota to Public Service Commission and Departmental Promotion Committees, as the case may be at least twice a year preferably in the months of January and July and also make necessary steps for having the meeting convened;
- (3) submit Annual Status Report to the General Administration Department by 31st of January every year reflecting therein the number and status of vacancies/posts referred for direct recruitment/promotion to the Public Service Commission/Departmental Promotion Committees;

(4) nominate an officer as nodal officer for ensuring timely reference of vacancies to the Public Service Commission and completion of required procedure.

xi. Adhocism needs to be curbed and rules strictly adhered to. Even while making adhoc appointments, which should normally be avoided, it has been observed that the concerned departments do not observe rules strictly; use pick and choose methods; and do not adhere to quota for promotion, thus causing hardships to the deserving and eligible candidates. Any departure in adhering to the quota, while making adhoc promotion and direct recruitment, may create imbalance in the service leading to violation of the Supreme Court's directive in the Suraj Prakash Vs State judgment. The Commission also recommends that the concerned Administrative Secretaries be held accountable for strict compliance with the provisions of SRO-166 of 2005 dated: 14.06.2005. It is also in place to mention that if the provisions of SRO-166 are implemented in letter and spirit, the need for adhoc arrangements will not arise.

xii. In case any adhoc arrangement becomes inevitable, the Administrative Department may consult the Commission with the request to recommend candidate(s) strictly as per the merit from amongst the candidates in the waiting list or on the basis of merit wherever the waiting list is not prepared in respect of any selection as the merit list of the Commission is prepared after taking into consideration all relevant factors. Such arrangement shall continue only till the regular selection is made after notifying the post(s) through the Public Service Commission for selection. It will obviate the process of making selection by various committees at different levels and minimize delay which is inherent in such localized selection by committees which have invariably no expertise in such matters.

The Government Instructions under Art.85 of J&K CSR provide that it is wrong in principle to appoint a Government Servant to higher post in his own cadre/line of promotion without observing the required formalities of clearance from Departmental Promotion Committee etc. where, however, for reasons to be recorded, the Administrative authorities cannot, without detriment to public interests, wait for formal appointments, temporary stop-gap arrangements may be made by them against such posts. In making such arrangements the competent authorities will ensure that only such officers are appointed who fulfill all requirements for higher appointments and can stand the scrutiny of Departmental Promotion Committees etc. Persons so appointed shall be appointed in their own pay and grade as in charge of higher posts, and will be required to discharge the full duties and responsibilities of these posts. As soon as these officers are declared by the Departmental Promotion Committee etc. fit for appointment to higher posts without any break in stop-gap arrangements, they will be allowed full pay of those posts allowance etc. If any, drawn to be adjusted in full against the retrospective increase in pay.

11. ACKNOWLEDGEMENT
