Tsering Angchok was born in village Hunder Nobra, valley Leh district. He had his schooling from Sainik School Balachadi, Jamnagar Gujarat. He did his graduation and post -graduation in History from Kashmir University. In 1984, he qualified the Combined Competitive Service Examination and was inducted in KAS in 1997, then in Indian Administrative Service in 2001 as the year of allotment. He was promoted to selection Grade IAS in January 2015 and to the Super time scale, IAS in January 2017.

He served in various capacities in the state service as Under Secretary & Dy. Secretary to Government. Thereafter he also served as Dy. Secretary to Governor during Governor's Rule. In his assignment as Additional Deputy Commissioner Leh he facilitated the smooth arrangement of porters for the Indian Army during the Kargil War in 1999 and also arranged volunteers from the villages for carrying war materials and essential items to the border areas. As Joint Director Industries, Jammu he handled the compilation and preparation of Industrial policy 2004 and streamlined the price preferences to the SSI Units in the purchases being

effected for the government departments. As Director IREP, he installed seven Micro Mini Flour Mills with 20 watt Electricity generation in 07 districts and two Micro Hydel Projects in Ladakh region in collaboration with NGOs. He also introduced the concept of CFL Energy lights distribution to the villagers on pilot basis.

During his assignment as Deputy Commissioner Leh he efficiently handled the flash floods of 2010 in the district. In a record time of 12 hours a make shift hospital was established; the roads in the town were temporarily restored in two days time in the after math of flood; five new Blocks of SNM hospital were initiated and major roads and bridges were also reconstructed. District Disaster Management Plan for Leh district was framed and prepared in consultation with the NDMA GOI. The authorities highly appreciated the role of Mr. Angchok in handling the floods of 2010 in a most professional and transparent manner.

As Dy. Commissioner Leh, he also acquired more than 100 Kanals of land for promotion of tourism in Leh district for Himalayan Cultural Centre, food Craft Centre and 18 holes Golf Ground near Sindhu Garh Leh.

In the last stint of his career, he served as Excise Commissioner J&K and conceptualized and created the social responsibility funds in the Excise Department for drive against drug addiction, drunken driving and mass awareness among the school children through print and electronic media regarding ill effects of drugs. He also brought transparency by introducing e-payment with the help of J&K Bank for the revenue receipts of document which was highly appreciated by the Government. After his superannuation from

distinguished service of 32 years Mr.Tsering Angchok was appointed as Member of Public Service Commission on 19<sup>th</sup> July 2017.
