## 1. INTRODUCTION

The Jammu & Kashmir Public Service Commission, as mandated by section 137 of the Constitution of Jammu & Kashmir, presents 53<sup>rd</sup> Annual Report on its working for the year 2009-2010 to His Excellency, the Governor of Jammu & Kashmir.

The J&K Public Service Commission was constituted in the year 1957 under section 128 of the Constitution of Jammu & Kashmir to discharge the functions specified in section 133 of the Constitution (Appendix-I). The Commission is also required to be consulted in matters relating to the method of recruitment, making appointments to civil services and posts, promotions & transfers from one service to another as well as on all disciplinary matters affecting a person serving under the Government.

The Annual Report of the Commission (under section 137 of the Constitution) is required to be laid before the State Legislature.

The Commission takes this opportunity to express its satisfaction over the fact that it has been presenting it regularly and all the previous reports have been tabled in the Legislature. The Commission hopes that this practice will continue in future as well.

### 3. EXECUTIVE SUMMARY

The J&K Public Service Commission states with a degree of satisfaction that during the year under report, it made recommendations for appointments and promotions to the Government for 3487 posts.

During the year under report the Commission completed the selection process for recruitment to 2324 posts and recommended 2022 candidates for appointment. 302 posts could not be filled either for want of eligible candidates or as a result of directions of the Court to the contrary. (*Appendix – II*)

In the year under report, the Commission cleared the promotion proposals for 1465 officers in various Departments of the State. (*Appendix – VII*)

In the year under report, the Commission conducted 14 departmental/competitive examinations, admitting 66,044 candidates, and declared the result of 03 departmental examinations. (*Appendix – XV & XIV*)

The Commission, in the year under report, held 12 examinations on behalf of the Union Public Service Commission. (*Appendix – XVI*)

The Commission, during the year under report, advertised 280 posts for direct recruitment through interview/examination in different departments of the State. (*Appendix – XVIII*)

The Commission, during the year under report, conveyed its agreement to 02 draft Recruitment Rules to two departments. (*Appendix-XI*)

The Commission, during the year under report, received requisitions for 192 posts from various departments for selection. (*Appendix-XIII*)

During the year under report, no case of disciplinary action was referred to the Commission or case of appointment by transfer from one service to another was received by the Commission as required under section 133 of the Constitution. (*Appendix – VI*)

The Commission notes with dismay that despite having already conveyed its agreement in Recruitment Rules of 12 services, the SROs have not been issued till 31.03.2010 as per the information of the Commission. (*Appendix – X*)

The Commission again notes with concern that some of the selections stalled by various court orders are not being properly defended by the concerned Government Departments, despite they being the primary respondents.

The Commission is constrained to point out that the response of certain indenting departments to the various queries raised by it has in general been unsatisfactory.

As per the provisions of SRO-166 dated 14.06.2005, the departments are required to refer vacancies falling under Direct recruitment quota to Public Service Commission by 15<sup>th</sup> of January every year and the vacancies in the promotion quota are required to be referred to Public Service Commission/Departmental Promotion Committees, twice a year, preferably in the month of January and July and, also to take necessary steps for facilitating the holding of the DPC meetings.

The departments have generally not been able to furnish the necessary information, recruitment rules, and vacancy position with cause of vacancies as per the provisions of aforementioned SRO. This results in undue delay in direct recruitment. Similarly, non-furnishing of updated seniority lists, APRs, Integrity Certificates etc. results in delay in the clearance of the proposals for promotion.

## 4. RECRUITMENT BY INTERVIEW

Recruitment by interview is made for filling up of vacancies that are, as per the relevant recruitment rules, to be filled up by direct recruitment without holding any written examination. The process of recruitment by interview starts with the receipt of a formal requisition from the indenting department. This is followed by the advertisement of the posts, receipt of applications, and determination of eligibility, (short listing by holding screening tests where number of applicants is large) and finally the holding of interviews. The selection process culminates with the Commission recommending suitable candidates for appointment.

In the year under report the Commission made 2022 recommendations for direct recruitment by interview against 2324 posts. Break-up of 2022 candidates recommended for appointment in various categories is as follows:-

1. OM= 1214 , 2. SC= 169 , 3. ST=158 , 4. RBA= 394 , 5. ALC= 60 , 6. SLC= 23 and
7. PHC=04 .

In School Education Department, against 1119 posts in different disciplines 1105 candidates were recommended for appointment. 14 posts remained vacant due to non-availability of eligible candidates against reserved category post.

In Higher Education Department, against a total of 285 posts 224 candidates could be recommended for appointment. Rest of the posts in different disciplines remained unfilled due to non-availability of eligible candidates.

In Health and Medical Education Department, against 775 posts, 564 candidates could be recommended for appointment. Rest of the posts in different disciplines remained unfilled due to non-availability of eligible candidates.

In Animal Husbandry Department, against 31 posts, 31 candidates could be recommended for appointment.

In Agriculture Production Department against 78 posts , 62 candidates have been recommended for appointment. Rest of the posts could not be filled due to various court directions.

In Public Works Department, all 20 posts were filled by the Eligible candidates.

In Tourism and floriculture Department, all 16 posts were filled by the Eligible candidate.

## **7. RECRUITMENT RULES / ADVICE RENDERED**

The Recruitment Rules in respect of 08 services, pertaining to 08 departments, could not be finalized on account of various reasons including deficiencies, as indicated against each, in appendix IX.

The details of the cases where the agreement of the Commission in regard to Recruitment Rules has been conveyed since 1995 till date, but SRO notifying the same has not been issued are given in appendix-X. The Commission wishes to express its dismay that the list of such cases is increasing year by year and that little or no effort is being made by the concerned departments to notify the rules. The departments are the Social Welfare Department, Information Technology Department, ARI & Training Department, Law Department, Sericulture Department, Housing and Urban Development, Horticulture Department, Handloom & Handicrafts Department, Labour & Employment Department

The Commission finds it difficult to monitor the action taken by the departments on agreements conveyed by the Commission to the Recruitment Rules unless a copy of the SRO issued by the department is sent to it. There may be cases, which figure in the Commission's list of pending cases where the department may have actually issued the Recruitment Rules, but no copy of the SRO notification has been received by the Commission.

The Commission has noticed that amendments are made in certain service rules without prior consultation of the Public Service Commission. It needs to be emphasized on the administrative departments to comply the constitutional requirement in this regard as required under section 124 of the Constitution of Jammu and Kashmir.

## **8. MISCELLANEOUS**

### **1. WRIT PETITIONS**

During the year under report, comparatively, fewer writ petitions in which the Commission is the primary respondent were preferred before the Hon'ble High Court. In most writ petitions pertaining to the Commission, criteria of selection/recruitment rules have been challenged and the Commission stands impleaded only as a pro-forma respondent, the primary respondent being the State. The Commission is regularly filing counters/objections in the courts and monitoring the progress of cases with its Standing Counsels.

### **2. THE COMMISSION SECRETARIAT**

The following officers held various positions, during the year under report, in the Commission Secretariat: -

1. Shri. M.A.Bukhari, IAS serves the Commission as Secretary.
2. Shri G.H. Mir, KAS continues to serve the Commission as Additional Secretary cum Controller of Examinations.
3. Shri. Om Prakash Bhagat, Shri. Mohmmad Ishaq Shah, Shri. Sheikh Mukhtiar and Shri. Gulzar Ahmad serve the Commission as Deputy Secretaries.
4. Shri Mangat Singh and Sh. M.K.Kallo serve the Commission as Under Secretaries.
5. Mrs Naila Zahoor Chib, continued to serve as Accounts Officer in the Commission
6. Sh. Abdul Rehman Dhobi, Sh Gagan singh , Sh. Chuni Lal, Sh.Varinder Gupta and Sh. Nazir Ahamd held the posts of Private Secretaries in the Commission

### **4. ACCOMMODATION**

The office of the Jammu & Kashmir Public Service Commission at Srinagar and Jammu continue to be housed in existing buildings at Polo Ground, Srinagar and Pragati Bhawan Rail Head Complex , Jammu respectively. The Commission's present accommodation is insufficient both at Jammu as well as Srinagar. For construction of office complexes at Jammu and Srinagar 15 Kanals of Land at Resham Ghar Colony, Jammu and 23 Kanals and 08 Marlas at Solina, Barzula estate Srinagar have been acquired respectively and the construction work has

been initiated both at Jammu as well as Srinagar. The Construction work at Jammu is almost completed and the building will be handed over to JKPSA within a short span of time.

**5. Name of Ex-Chairmen and Members.**

The names of Ex-Chairmen and Members of the J&K Public Service Commission to the extent of records available are given in the Appendix- XXII.

**6. Reference of vacancies and holding of meetings of Departmental Promotion Committees.**

The Commission notes with concern that the departments are not following the instructions of SRO-166 dated 14.06.2005 issued by the General Administration Department under endorsement No.GAD/Mtg/RB-IV/2005 dated 14.06.2005 in terms whereof all the departments were required to:-

- a) refer vacancies falling under direct recruitment quota to J&K Public Service Commission and Service Selection Board by 15<sup>th</sup> of January every year (except in the case of Combined Competitive Services which shall continue to be governed as per the existing procedure); and
- b) refer the vacancies under the promotion quota to J&K Public Service Commission/Departmental Promotion Committee, twice a year, preferably in the month of January and July for convening DPC meetings.

As such, it is suggested that Government may issue instructions to all the departments that the provisions of the SRO-166 of 2005 be implemented in letter and spirit, so that the system of promotions is streamlined and a lot of litigation be obviated as also the process of selection against the direct recruitment quota is initiated/completed in a regular manner.

## 9. DIFFICULTIES AND DELAYS

**(a) RECRUITMENTS:** - As already mentioned in the Annual Report of the previous year, the response of the indenting departments to the issues raised by the Commission from time to time has not always been as timely as desired. As a result, the selection/regularization process is delayed, sometimes for want of even a minor clarification.

It is desirable that the departments must send their formal requisitions for direct recruitment in Form-1 complete in all respects. Many times departments have been found to leave various columns of Form-1 incomplete. As such some important information that should have been forthcoming from the Form-1, remains missing which results in unnecessary and avoidable delays. The Commission wishes to impress upon those heading the indenting departments of the State that they should personally ensure that, while posts are being referred to the Commission, all the necessary information is furnished.

The practice of the Government making adhoc appointments/regular appointments in relaxation of rules against direct quota posts still continues. Neither copies of such Government orders are endorsed to the Commission nor are details of the posts filled made available to it. As such it has not been possible for the Commission to monitor such appointments. In some cases, adhoc appointees have been regularized or regular appointments are made in relaxation of rules without fulfilling the constitutional requirement of consulting the Commission.

During the year under report, the Commission made a request to the General Administration Department to advise all the departments to ensure that copies of orders regarding adhoc appointments and stop-gap arrangements are invariably endorsed to the Commission. Only some departments have acted upon the instructions issued by the General Administration Department in this regard. It is necessary that these instructions are adhered to by all departments. For this purpose, the State Government needs to devise a mechanism to ensure compliance.

**(b) PROMOTIONS:** - Majority of promotion cases remain pending for want of issuance of a final seniority list, annual performance reports, integrity certificates, recruitment rules and the year-wise breakup of vacancies with reference to the cause of vacancies. The Commission would like to impress upon various departments of the Govt. to furnish expeditiously, any information/document, asked for by the Commission. The departments should, while making the promotion proposal, send their cases with complete documents, as required under rules. The details of pending promotion cases are given in appendix-VIII.

## 10. RECOMMENDATIONS

Year and again the Commission has been making recommendations in its Annual Reports highlighting the requirements/ documents required for the speedier disposal of cases of promotion and recruitment by interviews but these have not been heeded to by a number of departments. The Commission hopes that in future there would not be a need for these recommendations. For the sake of ready reference these recommendations are restated below.

- i. That the departments nominate officers, as was suggested in the Annual Report of the previous year, for liaison with the Commission's Secretariat in order to sort out hurdles in deciding old pending cases and furnishing fresh proposals complete in all respects.
- ii. Despite repeated discussions, both formal and informal, with the concerned Administrative Departments, very little improvement has been noticed in providing of information sought by the Commission. In fact, some times the statements furnished by the departments are not based on facts, which consequently places the Commission in an embarrassing position as the new facts are pointed out by aggrieved officers after the completion of the proceedings of the DPC. This practice needs to be done away with.
- iii. The advice tendered by the Commission needs to be followed, and, in case the Government delays to act as per its advice, the Commission be kept informed along with the reasons thereof. In case of non acceptance of opinion/advice of the Commission in any case the Government has to record reasons for non acceptance of the same while laying copy of the Annual Report on the floor of the house.
- iv. The Administrative Departments, while furnishing proposals for the promotion of officers through DPC should ensure that these are complete in all respects and are accompanied with APR's, final seniority lists, integrity certificates, details of court cases, roster points for reserved categories, eligibility list indicating last officer cleared for promotion by the DPC, so that no officer is left out from the zone of consideration. The deficiencies of proposals of various departments are given in appendix-VIII.
- v. The recruitment rules for services, for which the Commission has conveyed its agreement, need to be notified and no amendment in service rules be made without consulting the Public Service Commission as required under section 124 of the Constitution of the Jammu and Kashmir.
- vi. The final seniority list needs to be updated and issued regularly.

vii. The departments need to consult the Commission at the time of making appointments by transfer from one service to another and also at the time of issuing the initial constitution as the same invariably involves the appointments by transfer.

viii. The departments need to pursue the court cases pertaining to promotions, recruitment and departmental examinations promptly and also file counter objections promptly so that the cases do not go in default.

ix. The departments should revise their Recruitment Rules and update various schedules every five years and the services where the same has not been done since long need to expedite the same at the earliest.

x. The Administrative Departments should adhere to the schedule for referring vacancies, at the end of the year in respect of direct recruitment quota and at the beginning and middle of the year, for promotion quota to the PSC taking due care of quota as per recruitment rules of the service at regular intervals; and avoid making piecemeal reference of vacancies and the related information. The Commission also recommends that all the Government Departments be directed to comply strictly with the directions contained in the SRO-166 dated 14.06.2005, including the timely completion of APR's ,issuance and updating of seniority lists, updating of schedules to the recruitment rules as well as the nomination of Nodal officers from each department who will be duly trained to ensure compliance with these requirements and to bring to the notice of the concerned Administrative Secretary, instance of slackness, if any, in adhering to the provision of the SRO-166 of 2005.

In terms of SRO-166 of 14<sup>th</sup> June, 2005, all the Administrative Departments are required to:-

- (1) refer vacancies to Public Service Commission by **15<sup>th</sup> of January every year;**
- (2) refer vacancies in the promotion quota to Public Service Commission and Departmental Promotion Committees, as the case may be at least twice a year preferably in the months of January and July and also make necessary steps for having the meeting convened;
- (3) submit Annual Status Report to the General Administration Department by 31<sup>st</sup> of January every year reflecting therein the number and status of vacancies/posts referred for direct recruitment/promotion to the Public Service Commission/Departmental Promotion Committees;
- (4) nominate an officer as nodal officer for ensuring timely reference of vacancies to the Public Service Commission and completion of required procedure.

xi. Adhocism needs to be curbed and rules strictly adhered to. Even while making adhoc appointments, which should normally be avoided, it has been observed that the concerned departments do not observe rules strictly; use pick and choose methods; and do not adhere to quota for promotion, thus causing hardships to the deserving and eligible candidates. Any departure in adhering to the quota, while making adhoc promotion and direct recruitment, may create imbalance in the service leading to violation of the Supreme Court's directive in the Suraj Prakash Vs State judgment. The Commission also recommends that the concerned Administrative Secretaries be held accountable for strict compliance with the provisions of SRO-166 of 2005 dated: 14.06.2005. It is also in place to mention that if the provisions of SRO-166 are implemented in letter and spirit, the need for adhoc arrangements will not arise.

xii. In case any adhoc arrangement becomes inevitable, the Administrative Department may consult the Commission with the request to recommend candidate(s) strictly as per the merit from amongst the candidates in the waiting list or on the basis of merit wherever the waiting list is not prepared in respect of any selection as the merit list of the Commission is prepared after taking into consideration all relevant factors. Such arrangement shall continue only till the regular selection is made after notifying the post(s) through the Public Service Commission for selection. It will obviate the process of making selection by various committees at different levels and minimize delay which is inherent in such localized selection by committees which have invariably no expertise in such matters.

The Government Instructions under Art.85 of J&K CSR provide that it is wrong in principle to appoint a Government Servant to higher post in his own cadre/line of promotion without observing the required formalities of clearance from Departmental Promotion Committee etc. where, however, for reasons to be recorded, the Administrative authorities cannot, without detriment to public interests, wait for formal appointments, temporary stop-gap arrangements may be made by them against such posts. In making such arrangements the competent authorities will ensure that only such officers are appointed who fulfill all requirements for higher appointments and can stand the scrutiny of Departmental Promotion Committees etc. Persons so appointed shall be appointed in their own pay and grade as in charge of higher posts, and will be required to discharge the full duties and responsibilities of these posts. As soon as these officers are declared by the Departmental Promotion Committee etc. fit for appointment to higher posts without any break in stop-gap arrangements, they will be allowed full pay of those posts allowance etc. If any, drawn to be adjusted in full against the retrospective increase in pay.
