NOTICE

Whereas, the J&K Public Service Commission, vide Notification No. 06-PSC (DR-P) of 2023 dated: 01.03.2023, advertised the said posts; and,

Whereas, the written test was conducted on 27.08.2023 and the result of the written test was declared vide Notification No. PSC/Exam/S/2023/53 dated: 18.09.2023; and,

Whereas, the viva-voce of the candidates was conducted on 21.09.2023 and 22.09.2023; and,

Whereas, a provisional Select List was issued on 04.10.2023; and,

Whereas, the Select List was provisional, subject to objections, if any, which were to be received within five days; and,

Whereas, three representations have been received from:-

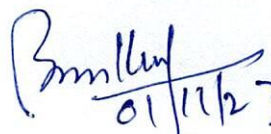

1. Ms. Rekha Kumari.
2. Mr. Aadil Parvaiz Lone.
3. Ms. Asma Parvez.

Whereas, the objections raised in the representations and their consideration is given here-in-under:

S. No	Name of the representee	Objection	Remarks/disposal
01	Ms. Rekha Kumari	There is 01 point for JKSET and 02 point for NET separately and she has qualified both of them and applied for the same at time of application for Environment Science, but has been awarded only 02 points.	One point is awarded to SET/SLET, 02 points to NET and 03 points to JRF. Maximum points given are 03 in case a candidate has JRF. Here the candidate has both SET and NET. In this case, higher

		She has Young Researcher Award 2023 from Institute of Scholars which is affiliated by Ministry of MSME and Corporate affairs, Government of India, but has not been given points for the same.	eligibility test is NET, so she has been awarded 02 points. There is no rule wherein 02 tests are clubbed together for award of points. Further, the points are for National Award. The Young Researcher Award does not qualify for treating it as National Award.
02	Mr. Aadil Parvaiz Lone	Total marks according to final answer key was 80.25/120, which comes out to be 46.81 out of 70 marks but as per provisional selection list it shows 46.08. It seems there is manual error, either final answer key is overlooked or there is calculation error and has requested to look of all the OMR sheets of shortlisted candidates in final answer key as decimal fraction matters.	As per records, the applicant has secured only 79 marks out of 120, as such the representation is not based on facts.
03	Ms. Asma Parvez.	The candidate, namely, Monika Sharma selected provisionally under OM doesn't possess the criteria for award of point in Book category and hence the student is not entitled to get 02 points (JKPSC criteria 01 point per book). It was also cross checked from the final merit list of contractual lecturers as she got only 02 points (contractual book criteria, 02 points per book) she would have got 04 points then as per their criteria and has requested to cross examine the result whether the above mentioned candidate possesses the required criteria under book category or not.	The provisional Select List was issued on 04.10.2023, subject to objections, which were to be received within five days. It was expressly mentioned in the provisional Select List that no claim, whatsoever, shall be entertained after five days from the date of issuance of Notification. The representation has been received on 27.10.2023, i.e. after the stipulated time, as such, cannot be entertained.

Now, therefore, the above representations are disposed off, being devoid of any merit and are, hence, rejected.
