| OBJECTION | REMARKS |
|--|---|
| <p>1) As mentioned in the selection lists, the J&K PSC conducted a common written test for these posts as all these posts had similar eligibility criteria and for majority of the posts same candidates had applied.</p> <p>2) Commission shortlisted 5 or 6 candidates for each post based on the merit in the written test and later conducted a common viva-voce on 19-07-2024. Each candidate was asked to exercise their choices for selection among the available posts of Assistant Professor Community Medicine or Epidemiologist-cum Assistant Professor from the various medical colleges of the UT before appearing for the viva-voce.</p> <p>3) But the commission while issuing the selection lists for the posts has selected the same candidate for both the posts while ignoring their choices they have entered at the time of interview with the result only 4 or 5 candidates got selected in both the lists thereby barring chances of selection of other eligible candidates.</p> <p>4) Commission by selecting the same candidates in the two lists have again given candidates the choices to opt for the posts from the two select lists giving no value to the choices candidates have given at the time of interview. As the selected candidates will eventually opt for only one post (first choice), leaving the post of their second selection vacant.</p> | <p>The candidates, who had applied for multiple colleges and qualified the written test, had to be called for interview in all the colleges where the candidate had applied.</p> <p>Upon selection, the colleges have been allotted as per the merit/preference given by the candidate.</p> |

Now, therefore, the representation of Dr. Qazi Mohd Iqbal (Roll No. 6300035), after having been examined/considered, is disposed of being devoid of merit.
