8. RECRUITMENT RULES / ADVICE RENDERED

The Recruitment Rules in respect of 01 service, pertaining to department of Law, Justice and Parliamentary Affairs could not be finalized on account of various reasons including deficiencies, as indicated in appendix –8.

The Commission conveyed its agreement with regard to Recruitment Rules to different department every year, but the Commission is not aware whether the SROs have been issued or not as the Administrative Departments are not forwarding copies of the same to the Commission.

The Commission wishes to express its dismay that the list of such cases is increasing year by year and that little or no effort is being made by the concerned departments to notify the rules.

The Commission finds it difficult to monitor the action taken by the departments on agreements conveyed by the Commission to the Recruitment Rules unless a copy of the SRO issued by the department is sent to it. There may be cases, which figure in the Commission's list of pending cases where the department may have actually issued the Recruitment Rules, but no copy of the SRO notification has been received by the Commission.

The Commission has noticed that amendments are made in certain service rules without prior consultation of the Public Service Commission. It needs to be emphasized on the Administrative Departments to comply with the constitutional requirement in this regard.

9. MISCELLANEOUS

WRIT PETITIONS

During the year under report, comparatively, fewer writ petitions, in which the Commission is the primary respondent, were filed before the Hon'ble High Court of J&K. In most of the writ petitions pertaining to the Commission, criteria of selection/recruitment rules have been challenged. The Commission is regularly filing counters/objections in the courts and monitoring the progress of cases with its Standing Counsels. Due

to regular follow up of the Court cases, the Commission has been able to get maximum number of court cases, particularly the Court cases of Higher Education Department, Health and Medical Education Department and General Administration Department (KAS) decided in favour of the Commission. The department wise detail of court cases is enclosed as appendix-18

different heads during the year under report is given in the appendix-14

12. Name of Ex-Chairmen and Members.

The names of Ex-Chairmen and Members of the J&K Public Service Commission to the

extent of records available are given in the Appendix- 19.

13. Reference of vacancies and holding of meetings of Departmental Promotion Committees.

The Commission notices with concern that the departments are not following the instructions issued by the General Administration Department from time to time in terms at which all the departments were required to:

- (i) Refer vacancies falling under direct recruitment quota to J&K Public Service Commission and Service Selection Board by 15th of January every year (except in the case of Combined Competitive Services which shall continue to be governed as per the existing procedure); and
- (ii) Refer the vacancies under the promotion quota to J&K Public Service Commission/Departmental Promotion

Committee, twice a year, preferably in the month of January and July for convening DPC meetings.

- (iii) As such, it is suggested that Government may issue instructions to all the departments that the provisions of the SRO-166 of 2005 be implemented in letter and spirit, so that the system of promotions is streamlined and a lot of litigation be obviated as also the process of selection against the direct recruitment quota is initiated/completed in a regular manner.

10. DIFFICULTIES AND DELAYS

(a) RECRUITMENTS: -

As already mentioned in the Annual Report of the previous years, the response of the indenting departments to the issues raised by the Commission from time to time, has not always been as timely as desired. As a result, the selection/regularization process is delayed, sometimes for want of even a minor clarification.

It is desirable that the departments must send their formal requisitions for direct recruitment in Form-1 complete in all respects.

Many times departments have been found to leave various columns of Form-1 incomplete. As such some important information that should have been forthcoming, from the Form-1, remains missing which results in unnecessary delays. The Commission wishes to impress upon those heading the indenting departments of the UT of J&K that they should personally ensure that, while posts are being referred to the Commission, all the necessary information is furnished.

(b) PROMOTIONS: -

Majority of promotion cases remain pending for want of issuance of a final seniority list, annual performance reports, integrity certificates, recruitment rules and the year-wise breakup of vacancies with reference to the cause of vacancies. The Commission would like to impress upon various departments of the Government to

furnish expeditiously, any information/document, asked for by the Commission. The departments, while sending the promotion proposals, should send their cases with complete documents, as required under rules. The details of pending promotion cases with reasons of pendency are given in appendix-6.

11. RECOMMENDATIONS

The Commission has been making recommendations in its Annual Reports highlighting the documents required for speedy disposal of cases of promotion and recruitment by examinations/interviews, but these have not been heeded by a number of departments. The Commission hopes that in future these recommendations would be seriously considered by the Departments. The recommendations are as under:-

1. The proposals for regularization are not being submitted by some of the Administrative Departments in the forms as prescribed in the Government Order No. 1303-GAD of 1969 dated 28.06.1969, besides the PSC has issued circular, vide No. 1 PSC of 2016, dated 15-01-2016, where under, procedure/schedule for conducting DPC on monthly basis has been circulated among all the departments to make the process easy. But the instructions/schedule have not been followed in letter and spirit.

Keeping in view the uniformity and objectivity of DPC, the Commission has issued a revised checklist (Appendix-20) vide Order No. 01 PSC of 2019 Dated 08-07-2019. The same has been forwarded to all the Administrative Departments under endorsement No. PSC/DPC/01/2016 dated 08-07-2019. Besides, a copy of the same has also been forwarded to the General Administration Department vide No.PSC/DPC/Checklist/02/2019, dated:- 23.01.2019, for circulation among all the Administrative Departments with the directions to

adhere to the checklist in letter & spirit while preparation/submission of DPC proposals.

The Details of DPC Proposals received/not received from the Departments during the year under report are mentioned in appendix-7.

2. It has been observed by the Commission that some departments submit the proposals for DPC only upto first Level Gazetted Officer i.e.; Under Secretary, Private Secretary etc. to the Commission. The DPCs of higher posts are being done by the Administrative Departments at their own level. It is recommended that DPC Proposals up to the Level of Additional Secretary may also be submitted to the Commission on the analogy of Finance, PWD (R&B), and Planning Development & Monitoring Departments etc.
3. The APRs received from various Departments are often found incomplete. Although there is a provision in APR rules that in case of non-availability of requisite APRs due to certain reasons, the Administrative Secretary may furnish the work and conduct certificates in lieu of APRs with the reasons for non- availability of requisite APRs. But some of the Administrative Departments established a practice to furnish work and conduct certificates without reasons as an alternative of APR's. This practice needs to be stopped. The Administrative Department while furnishing the proposals should ensure that APRs are properly reviewed and accepted by the competent authority and are complete in all respect.

4. The work and conduct/Integrity certificates received from the various departments are not signed/counter-signed by the concerned Administrative Secretaries. Administrative Departments should make it sure that work and conduct/integrity certificates are duly authenticated by the concerned authorities.
5. It has been observed that after submitting the proposals, the Administrative Departments do not bother to respond to the communications regarding the deficiencies or any query regarding the proposal which results in inordinate delay.
6. The Administrative Departments shall ensure the timely/relevant reply of queries/ Communications for speedy disposal of DPC cases. The departments whose cases are pending for want of clarifications are mentioned in appendix-6.
7. Some Departments, while submitting the DPC proposals to the Public Service Commission, do not adhere to the incumbency position.
8. Some of the departments do not represent in the DPC meetings on the date fixed by the Commission. In exceptional cases, where the Departments are not in a position to attend the DPC meetings on the scheduled date due to some unavoidable circumstances, the same shall be communicated to the Commission at least two days before the scheduled date of DPC meeting.
9. The proposal for seeking concurrence of the J&K PSC on the draft recruitment rules are being submitted incomplete by some Administrative Departments in respect of comparative statements, creation/abolition orders and concurrence of the Finance Department in case of change of nomenclature/creations of posts. In

order to ensure uniformity, the Commission issued checklist for submitting draft recruitment rules and the same has been forwarded to all the departments. The Administrative Department shall ensure that all the pre-requisite documents as mentioned in the checklist (Appendix-21) are enclosed while submitting the proposal to the J&K PSC. Moreover, Recruitment Rules of most of the Departments have neither been updated for many years nor has sanctioned strength of the cadre/posts been defined. Updating of rules is strongly recommended.

10. The DPC clears the officers for regularization on the principle of availability of vacancies, placement and eligibility whichever, is later in accordance with the provisions of Govt. Order No.743-GAD of 2007, dated 28.06.2007. It has been found that due to delayed placement of eligible officers against higher posts, they are put to a disadvantage. A mechanism needs to be evolved to fill up the vacant posts on stop gap basis in accordance with rules immediately after these become available for a period of six months to avoid hardships to the officers. Moreover, Government order dated 28-06-2007 needs to be reviewed, as it adversely affects officers who for no plausible reason or justification are left out and later on they are deprived of the benefit of promotion, if retired. In scores of cases, the Commission has noticed that without any justification, the departments ignored otherwise eligible officers and juniors are placed on higher posts. The condition of placement for regularization needs to be reviewed to ensure fair play and justice to all.

11. The Government Instructions under Article 85 of J&K CSR provide that it is wrong in principle to appoint a Government Servant to higher post in his own cadre/line of promotion without observing the required formalities of clearance from Departmental Promotion Committee. However, for reasons to be recorded, the Administrative authorities cannot, without detriment to public interests, wait for formal appointments, temporary stop-gap arrangements may be made by them against such posts. In making such arrangements the competent authorities should ensure that only such officers are appointed who fulfill all requirements for higher appointments and can stand the scrutiny of Departmental Promotion Committees. Persons so appointed shall be appointed in their own pay and grade as in charge of higher posts, and will be required to discharge the duties and responsibilities of these posts. As soon as these officers are declared by the Departmental Promotion Committee fit for appointment to higher posts without any break in stop-gap arrangements, they will be allowed full pay and allowances of those posts, if any, drawn to be adjusted in full against the retrospective increase in pay. As per Article 85 of the J&K CSR, Own Pay & Grade (OPG) arrangement shall not last beyond 6 months. However, Officers placed in OPG, continue beyond 6 months which is gross violation of the Art. 85 of J&K CSRs and against the spirit of judgment of the Apex Court passed in the case titled Suraj Prakash & Others V/S State of J&K & Others.
12. Grades have been released by some Administrative Departments at the time of placement, which is gross violation of the rules. The Administrative departments should release the grades only when the DPC/PSC recommends regularization of the services of such officers.
13. The final seniority lists need to be updated and issued regularly. Some of the Departments, while updating the seniority lists un-necessarily show the whole seniority list as tentative which makes otherwise final position of the officers tentative.
14. Some Departments have adopted the practice of submitting the documents at the time of DPC meeting. Such documents submitted at the eleventh hour are not being properly scrutinized /examined. This practice is required to be stopped and the procedure of submission of complete documents with the proposal needs to be follows, enabling the Commission to properly scrutinized/examined the proposal in all respect well before the DPC meeting.
15. The Administrative Departments should adhere to the schedule for referring vacancies, at the end of the year in respect of direct recruitment quota and at the beginning and middle of the year, for promotion quota to the PSC taking due care of quota as per recruitment rules of the service at regular intervals and avoid making piecemeal reference of vacancies and the related information. The Commission also recommends that all the Government Departments be directed to comply strictly with the directions contained in the SRO-166 dated 14.06.2005, including the timely completion of APR's, issuance and updating of seniority lists, updating of schedules to the recruitment rules as well as the nomination of Nodal officers from each department, who will be

duly trained to ensure compliance with these requirements and to bring to the notice of the concerned Administrative Secretary, instance of slackness, if any, in adhering to the provisions of the SRO-166 of 2005.

16. The Syllabi of the Departmental Examinations of all Departments, need to be updated and brought in tune with the changing requirements, particularly Computer subject be introduced as one of the paper in every Departmental Examination. The departments are advised to prepare the revised syllabi in consultation with the Commission and also consider, if some papers can be prescribed on objective type basis.

17. The Departments after referring the vacancies do not respond to furnish the deficiencies, if pointed out. Priority response of the Administrative Departments in the matter is recommended to avoid delay in the selection process.

18. Recruitment Rules of most of the State Government Departments framed decades ago are very old, outdated, obsolete and have become redundant and require their revisions and updating to keep pace with the fast changing social, economic and technological scenario, as well as efficiency and expertise required for handling assignments of complex nature in view of the diversification and specialization in the field of governance and functioning of government organizations. It is also necessary to accommodate and incentivize diversification in the field of Education, Medical Sciences and Computer Sciences. The updating and revision of Recruitment Rules to the matching requirement of the functioning of the Government Departments

will also bring down the incidences of litigation. It is recommended that the Recruitment Rules of the Government Departments shall be revised /updated urgently.

19. While reviewing the Recruitment Rules, there is a need to build proper pyramids to provide reasonable vertical movement in the ladders. It cannot be uniform amongst the services, but such vertical movement can be made compatible amongst the various services.

20. While amending the Recruitment Rules, the departments also need to consider the minimum qualification for the posts. It has been noticed that in various departments, certain category of posts are eligible for promotion to the next level post even without basic minimum qualification as per the existing Recruitment Rules of the concerned department.

21. Mechanism of Vigilance Clearance needs to be reviewed as the delays in submitting the Vigilance Clearance causes delay in clearance of the proposals.

22. The departments should constitute Screening Committees for considering officers for grant of selection grade and such proposals need not be placed before the DPC/PSC. Necessary amendments can be made in the Recruitment Rules, where-ever required to exempt the selection grade category of posts from the purview of the DPC/PSC.

23. The advices/recommendations tendered by the Commission need to be followed, and, in case the Government delays to act as per its advice, the Commission be kept informed along with the reasons thereof. In case of non-acceptance of

opinion/advice of the Commission in any case, the Government has to record reasons for non-acceptance of the same.

24. The recruitment rules for services, for which the Commission has conveyed its agreement, need to be notified and no amendment in service rules be made without consulting the Public Service Commission as required under section 124 of the Constitution of the Jammu and Kashmir.

25. The departments need to consult the Commission at the time of making appointments by transfer from one service to another and also at the time

of issuing the initial constitution as the same invariably involves the appointments by transfer.

26. The departments need to pursue the court cases pertaining to promotions, recruitment and departmental examinations promptly and file counter/ objections promptly so that the cases are decided on merits.
